

Hongqiang Yan

7231 E Sonoran Arroyo Mall
Santan Hall Suite 235
Mesa, AZ 85212

Email: hongqiang.yan@asu.edu

Phone: +1 (919) 999 - 7897

Website: <https://hongqiangyan.github.io/>

ACADEMIC POSITIONS

Postdoctoral Research Scholar	2024 – Present
Morrison School of Agribusiness, W. P. Carey School of Business, Arizona State University	

RESEARCH FIELDS

Agricultural Economics, Econometrics

EDUCATION

Ph.D. in Economics, North Carolina State University	2024
Dissertation: <i>Essays on High-Dimensional Threshold Models</i>	
Ph.D. Committee: Mehmet Caner (Chair), Barry Goodwin, Zheng Li, Ilze Kalnina	
M.S. in Economics, Texas A&M University	2018
B.A. in Finance, Beijing Jiaotong University	2016

PEER-REVIEWED JOURNAL ARTICLES

- [1] Roznik, M., Mishra, A. K., and Yan, H. (2026). Annual changes in crop-field composition affect crop insurance ratings. *Journal of the Agricultural and Applied Economics Association*, Advance online publication. <https://doi.org/10.1002/jaa2.70047>
- [2] Yan, H., Manfredo, M., and Mishra, A. K. (2026). Forecasting food price inflation using machine learning: An expansion based on FRED-MD. *Food Policy*, 140, 103077. <https://doi.org/10.1016/j.foodpol.2026.103077>
- [3] Chen, L., Rejesus, R. M., Yan, H., and Aglasan, S. (2026). Lost ground, lost value: Investigating the relationship between soil erosion and agricultural land value. *American Journal of Agricultural Economics*. Advance online publication. <https://doi.org/10.1002/ajae.70057>
- [4] Yan, H., Mishra, A. K., and Zhou, X. (2026). Do all food and beverage firms benefit from voluntary ESG reporting? Evidence from China's listed companies. *Agribusiness*, 42: 623-640. <https://doi.org/10.1002/agr.70004>
- [5] Khanal, A. R., Mishra, A. K., Hazrana, J., and Yan, H. (2025). Risk attitude, perception, management experience, and productivity: Evidence from a semiparametric approach and a less developed economy. *European Review of Agricultural Economics*, 52(5), 1442-1468. <https://doi.org/10.1093/erae/jbaf043>

WORKING PAPERS

- [1] **Hongqiang Yan**, Serkan Aglasan, Le Chen, Roderick Rejesus. The Dual Damage from Soil Erosion: Lower Yields and Higher Risk in US Agriculture. (Conditionally accepted, *Journal of Agricultural and Resource Economics*)
- [2] **Hongqiang Yan**, Barry Goodwin, Mehmet Caner. Global Maize Market Integration: A High-Dimensional Local Projection Approach with Mixed-Frequency Data and Regime Switching.
- [3] **Hongqiang Yan**, Barry Goodwin, Ashok K. Mishra. Detecting Structural Change in the Demand for Multiple Peril Crop Insurance.
- [4] **Hongqiang Yan**, Mark Manfredo, Ashok K. Mishra. How Economic News Drives Volatility in Commodity Markets.

- [5] **Hongqiang Yan**, Ashok K. Mishra, Jaweriah Hazrana. Spatial Analysis of Modern Rice Varieties Technology on Production: Evidence from Panel Data in Bangladesh.
- [6] Mitchell Roznik, Ashok K. Mishra, **Hongqiang Yan**. Extreme Climate, Financial Health, and Credit Default Risk: An American Landscape.
- [7] Jiatong Li, **Hongqiang Yan**. Uniform Inference in High-Dimensional Threshold Regression Models. <https://doi.org/10.48550/arXiv.2404.08105>

WORK IN PROGRESS

- [1] Cost Functions Under Uncertainty: A Conditional Value-at-Risk Approach. *with Ashok K. Mishra*
- [2] Adaptation to Weather Shocks through Harvest Timing Adjustments: Evidence from Field-Level Data in the U.S. *with Kenichi Kuroiwa, Ashok K. Mishra*

TEACHING EXPERIENCE

Instructor, Arizona State University

International Management and Agribusiness

Summer 2026, 2025

Student Evaluations: 2025 – **6.75/7.00** (35/46), **6.63/7.00** (41/68); 2026 – **6.41/7.00** (26/50), **6.66/7.00** (27/64)

Note: numbers in parentheses indicate response rates.

Instructor, NC State University

Principles of Microeconomics

Spring 2023

Graduate Teaching Assistant, NC State University

Fundamentals of Microeconomics (Graduate-Level)

Fall 2022, 2021, 2020

Summer Math Camp and Recitations

Applied Econometrics I (Graduate-Level)

Fall 2021, 2020, 2018

Recitations

Introduction to Commodity Futures Markets

Fall 2022

Microeconomics II (Graduate-Level)

Spring 2020

Introduction to Econometric Methods (Graduate-Level)

Spring 2020

Principles of Microeconomics

Spring 2022, Fall 2019

Public Finance

Spring 2019

PRESENTATIONS

* indicates presenter

- [1] Hongqiang Yan*, Kenichi Kuroiwa, Ashok K. Mishra, Mitchell Roznik. “*Adaptation to Weather Shock through Harvesting Time Adjustments: Evidence from Field-level Data in the U.S.*”, AAEA Annual Meeting, Kansas City, MO, July 2026 (Scheduled).

- [17] Hongqiang Yan*, Serkan Aglasan, Le Chen, Roderick M. Rejesus. *“The Impact of Soil Erosion on Mean Yields and Yield Risk”*, AAEA Annual Meeting, New Orleans, LA, July 2024.
- [18] Jiatong Li*, Hongqiang Yan. *“Uniform Inference in High-Dimensional Threshold Regression Models”*, Bristol Econometrics Study Group, Bristol, UK, July 2024.
- [19] Hongqiang Yan*, Barry K. Goodwin, Mehmet Caner. *“Investigating Integration and Exchange Rate Pass-Through in World Maize Markets Using Inferential LASSO Methods”*, AAEA Annual Meeting, Washington, DC, July 2023.
- [20] Hongqiang Yan*. *“Uniform Inference in High-Dimensional Threshold Regression Models”*, Midwest Econometrics Group Conference, East Lansing, MI, October 2022.

FELLOWSHIPS AND AWARDS

Goodnight Doctoral Fellowship, NC State University	2022 – 2024
Awarded to 30 top doctoral students university-wide; provided guaranteed funding through graduation.	
Jenkins Fellowship, NC State University	2023 – 2024
Sole recipient selected from final-year Economics Ph.D. students for outstanding academic achievement.	

RESEARCH GRANTS

-
- [1] New Governance Lab Summer Research Grant, Arizona State University (\$9,000). “Voluntary ESG Reporting and Firm Performance: An Exploration in China’s Food and Beverage Industry,” 2025. Role: Co-Principal Investigator. Project PI: Ashok Mishra.
- [2] USDA National Institute of Food and Agriculture (NIFA) – Agriculture and Food Research Initiative Grant (Pending). “Modeling Structural Change in the Demand for Multiple Peril Crop Insurance: Implications for U.S. Agriculture,” 2026–2029. Role: Co-Principal Investigator. Project PI: Ashok Mishra.

JOURNAL REFEREE

Referee: *Agribusiness: An International Journal*, *Journal of Agricultural and Applied Economics*, *Q Open*, *Scientific Reports*, *Sustainable Development*

OTHER INFORMATION

Programming: R, Python, MATLAB, Stata
Language: English (fluent), Mandarin Chinese (native)
Nationality: China
